RE: OUR CLIENT/YOUR PATIENT: FRANCISCA CISNEROS  
SOCIAL SECURITY NUMBER: 535-06-0948  
DATE OF BIRTH: 10/10/56

Dear Dr. French:

As you may remember from prior communications between your office and mine, I have been representing your patient Francisca in her appeal for Social Security disability benefits. Your office has kindly provided a variety of medical records to me, and you have taken the time to respond to one or two questionnaires which we sent to you, with respect to issues germane to her Social Security claim.

Now I wanted to share with you the very good news that at a recent appeal hearing, the judge agreed that he would approve her Social Security claim, retroactive to sometime in 2003 or 2004, when she last worked for IBP.

Dr. French, there is no doubt in my mind about this: the records and responses which you provided to our questionnaires were instrumental to our efforts to help this unfortunate woman. We again thank you very much for your willingness to cooperate with our forensic endeavors, and we thank you for your efforts to help Francisca so much with her multiple medical problems.

Respectfully,

THOMAS BOTHWELL
